## **DETAILED ACTION**

### ***Claim Objections***

The objections to the claims have been overcome by amendment.

### ***Claim Rejections - 35 USC § 112***

The rejections under 35 USC § 112 have been overcome by amendment.

### ***Terminal Disclaimer***

The terminal disclaimer filed on January 18, 2007 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of any patent granted on application No's. 10/542,265, 11/280,915, and 11/287,065 has been reviewed and is accepted. The terminal disclaimer has been recorded.

### ***Allowable Subject Matter***

Claims 1-24 are allowed. The following is an examiner's statement of reasons for allowance: The terminal disclaimer has overcome the Double Patenting rejections. Additionally, the independent claims 1 and 17 relate to a non-obvious improvement over the closest found prior art (United States Patent No. 4,104,114 to Rowlandson et al.) in that the same bleach line is both the source of wash liquor to the various wash apparatuses and the destination of effluent from the wash apparatuses via the branch conduits.
